Moorshedabad,
Office of A. G. G.,
the 16th July 1847

E. E.
H. Torrens,
Offg. Agent to the Gouv. Genl.
[1321]
Liett. F. P. Layard,
Offg. Executive Officer 2d Division, Berhampore.

Sir,—I beg to enclose a receipt for the sum of Rs. 66-10-8 on account of the Nizamut family Buildings requesting the Collector to pay you the amount.—I have etc.

the 19th July 1847.
H. Torrens,

[1322]
J. H. Cooper Esqr.,
Calcutta.

Sir,—I beg to acknowledge the receipt of your letter of the 14th Inst. and in reply to state that the letter of Raja Seetanath, seems to contain a proposition made to ensure you a cash payment of the sum His Highness has assigned to you. Were Government Securities bought at 4 Discount to be sold out now at 14 Discount the loss to the Nizamut would be heavy, too heavy indeed to enable me in fairness to adopt that course.

Perhaps you would be good enough to explain to the Raja the total variance, which has not as yet I confess struck me between his proposition and the terms of my letter of assignment and let him, if as perhaps is the case, you would prefer a simple transfer of Govt. Security in your name, know your wishes on the subject.—I have etc.

the 19th July 1847.
H. Torrens,

[1323]
The Government Agent, Calcutta.

Sir,—I beg to forward a Draft No. 98 Dated 16th July 1847, on the General Treasury, for the sum of Co. Rs. 522-8 which on realization I request you will have the goodness to invest in Govt. Securities for the benefit of Syud Ushgur Ally and Syud Ahmed Ally, Minor sons of the late Nuwab Tuhawur Jung of the Chitpore family.—I have etc.

the 21st July 1847.
H. Torrens,

I do hereby certify that the Balance in my Treasury as it stood at the close of the last month amounted to Compy.'s Rups. One Thousand five hundred & Eighty and Twelve annas and that I have personally ascertained that the above Balance is actually in my Custody. I further certify that the bulk of the Treasure has been kept under double Locks, and that the key of one of the said keys, has been in the custody of the Treasurer, and the other exclusively in my own possession.

Moorsshedabad,
The 21st July 1847.

Office of A. G. G.,

Sir,—I beg to enclose you a receipt for the sum of Co. Rs. 5,276-3-0 on account of His Highness the Nuwab Nazim's New stables requesting the Collector to pay you the amount.—I have etc.

H. Torrens,
Offg. Agent G G.

[1325]
The Accountant of the Government of Bengal,
Fort William.

Sir,—I have the honor to transmit herewith the Cash account of the Office of Agent to the Governor General at Moorshedabad, for the month of April last; accompanied by two Abstracts marked A. and B. and 297 vouchers.—I have etc.

the 27th July 1847.
H. Torrens,
Offg. A. G. G.

[1326]
Syud Gholam Abbas.

Sir,—I have the honor to acknowledge the receipt of your letter of the 24th Instant, and in reply to state that a letter has been addressed to Government notifying the request for leave of absence and an advance of money for needful Expenses.

2. I have at the same time made application to Government for the approval of your being declared of age, as also for the issue of the usual Sunnud conferring upon you the hereditary title of your rank.—I have etc.

the 27th July 1847.
H. Torrens,
Offg. A. G. G.

P.S.—The leave of absence solicited is granted in anticipation of approval.

Sir,—His Highness the Nuwab Nazim of Bengal having with the sanction and approval of His Honor the Deputy Governor of Bengal, been pleased to make an assignment of the sum of Rs. 50,000 to J. H. Cooper Esqr., lately Tutor to His Highness, I have to request that you will have the goodness to transfer to that Gentleman, Government securities of the new five per Cent Loan equal in money Value to the full sum of Co. The Superintending Engineer Lower Provinces.

Sir,—Under the orders of Government No 1581, of the 18th August, and with reference to the Commissioners Report to Government of the 23d June last, a Copy of which is enclosed, I am directed to request you will call on the Executive Engineer for an Estimate of the probable expense of placing the more important roads about the City and Station of Mooshedabad, in an efficient state of repair. The Estimate will provide for metalling the most generally used of these roads and for executing the work entirely by hired labour.—I have etc.

Fort William,
Military Boards Office, Edward Sanders,
the 18th September 1837. Secy. Military Board.

Extract of a letter from the Commissioner of Circuit of the 14th or Mooshedabad Division dated the 23d June 1837.

Para. 30th On the subject of the roads of the district nearly the same remarks apply as were made on those of Hoogly. A very few years ago a road was constructed from Mooshedabad to Calcutta at a cost of many lacks of rupees, a portion of this road between that station and Kishenagur I had an opportunity of seeing and I regret to say that it now is in such bad repair as to be scarcely passable, the bund has sunk, and will in the course of a few years more he level with the Paddy fields, the bridge stands permanently out from it to so great a height as to be with difficulty surmounted by a wheeled vehicle, and the bar Masonry unprotected by soil or Soorkey being exposed to the wear of Cart wheels and passengers feet, will very soon give way about the station, Mooshedabad is however worse off than Hoogly, for there they have the disadvantage of a Resident Engineer Office, who has charge of the Convicts, the consequence is that outside the Military Cantonment, every road is going to ruin; the communication between the City and Berhampore is in a fair way of being cut off, and at a station which a very few years ago boasted of possessing the best roads in Bengal, a wheeled Carriage will probably soon become an almost useless article. The opinion is I believe universal that it is a great mistake to place the Convicts labour under the control of any other authority than the Magistrate and were other proof wanting the different condition of the Station roads at Hoogly, and at Berhampore afford a convincing proof of the justness of such a conclusion. I therefore beg leave to suggest that the Convicts at

Mooshedabad be again placed under charge of the Magistrate, who is the person best acquainted with the wants both of the native and European community, and who from his Official position as regards the convicts is best qualified to exact from them a fair quantity of labour.

51. The exertion of the Hon’ble Mr. Melville an officer of much experience and warmly interested in the welfare of this district, has set on foot a subscription for the purpose of raising a fund for the repair of the roads &c., but private subscription in a matter of this sort can do but little, and he suggests that the surplus Chowkee-dary fund now in deposit which upon the principle of the new act appears strictly applicable to such purpose be added to the subscription and that Government be solicited to appropriate the same end the produce of the City ferries. It is suggested by Mr. Melville that these funds be placed under the control of a local Committee and that the roads &c. be placed under their charge. The plan appears to me unexceptionable, and I beg permission to recommend most strongly either that it be adopted or that some other scheme which Government may think preferable, the [be?] devised for the adequate performance of the very necessary duties which such a Committee is calculated to execute. I do myself the honor of submitting Mr. Melville’s letter dated the 6th Instant, and also the Copy of one No. 319 dated the 9th Instant on the same subject from the Magistrate Mr. Elliott.

the 15th August 1837. Judicial Department.

Enclosure No. 3.
Lieut. B. W. Goldey,
Executive Engineer 2d Divn.

Sir,—I have the honor to enclose in original a letter No 2726 of the 19th Instant, and it’s accompaniment, from the Secretary Military Board, and request that you will submit the required report and Estimate of the probable expenses of repairing the roads in and about the City of Mooshedabad, by hired labour, making a Note at the foot of the latter, of the saving that would be effected, were the proposed work executed by Convict labour.

2d. Be pleased to return the enclosure with your reply, as early as you conveniently can.—I have etc.

the payment of H. H. the Nazim’s due in Calcutta, I
allotted an instalment of Rs. 5,000 to your firm. As this

was managed without my knowledge or concurrence.

send you a draft for the whole on the Sub Treasurer with
my assurance that the rest of your debt will be paid on
my responsibility on the 30th Prox.—I am etc.

Sir,—I have the honor to forward to you this advice favored by Rajah Seetanath Buhadoor Dewan to H. H. the Nuwab Nazim, requesting you to place at his disposal the amount of one Lakh and thirty thousand rupees in Government Securities for the purpose of raising money upon the paper in question to meet urgent expenses for His Highness and his relatives during the Mohurum.

2. I beg that you will have the goodness to make the amount available in Securities standing in His Highness’s name at 5 per cent. — I have etc.

Offg. A. G. G.

H. Torrens,

[1391]
Major C. Douglas,
Commg. 14th Reg. N. 1., Berhampore

Sir,—I have the honor to request that you will favor His Highness the Nuwab Nazim and myself by ordering a Company of the Regt. under your Command on Treasure party duty for the purpose of escorting a lakh of rupees in specie expected shortly to arrive at Kishnagur from Calcutta.

2. The money being emergently required by His Highness and his relatives, and assets not being available in the Collectors treasury, ten elephants, were dispatched with an escort as per margin to bring treasure from Calcutta on the night of Monday last (29th ult.).

3. It is possible they may arrive in Calcutta by Palace Guard tomorrow morning (2d Inst.) and as arrangements have been made to have the treasure ready, I should think it not unlikely that under the urgent demand for the specie here, which is required for the ceremonial of the Mohurum, the party may leave Calcutta on the evening of Friday 3d Inst.

4. I have applied for an escort of regular troops to meet the convoy at Barasel, and, if without distressing the men, the Company I have the honor to apply for, could find itself ready to relieve this party at Kishnagur on the evening of the 4th Inst. all chance of delay will have been obviated.

5. The distance is 56 miles, but His Highness the Nazim has directed his officers to answer any indent for elephants to carry baggage or afford assistance to sick or footsore men, which you may desire to be made.

6. The Officer in Command of the Company might perhaps be instructed as a Compliment to His Highness, to post a limited number of sentries from the detachment of Nizamut men in addition to those of his own, and, if I might suggest, should perhaps be warned against crossing the river at Kishnagur whereby time would be lost.

7. Supplies according to indent will be written for at that place to be ready on the either side of the stream should you approve. — I have etc.

H. Torrens,

The Civil Auditor, Fort William

Sir,—I have the honor to acknowledge the receipt of your letter No. 1587 of the 25th Ult., annexing a copy of your letter No. 1394 of the 1st Octr., and in reply beg to state that Lootoonissa Begum having died on the 18th Augt. 1846, and no detailed report having been submitted for the orders of Govt., the individuals receiving their authorized allowances under her receipt, feeling the inconvenience of further delay, made their respective applications to me, to receive their pensions under their own receipts.

2. Those pensions having been sanctioned by the orders of Govt. dated 14th December 1842, a copy of which accompanied the Nizamut Abstract for that month, I felt no hesitation in complying with their request.

3. The subject of the stipend of Sa. Rs. 675 which the late Lootoonissa Begum enjoyed in her own right, is still under consideration.

4. Under this explanation, I hope, the charge of the monthly rate of Rs. 325, for the arrears due to the other branches of the Begum’s family, will be admitted. — I have etc.

The Governor General's Agent, Benares

Sir,—I have the honor to apprise you that two persons of same rank, connected with the Nizamut, having been advised by me to take up their residence at Benares, are now on their way thither, and will look on their arrival to you for support and protection

2. These are Syud Mehdy Ali orf Nunnah Nuwab, an adopted brother of Her Highness the Doolin Begum and Ushruffoonissa Begum, usually called the Padshah Begum, Widow of Sooltan Ismael & daughter of Ruheemoonissa Begum.

3. These persons with their followers & servants, should be recommended to provide themselves with suitable residences in a quiet and unostentatious manner, and with your permission I will place you in funds for the purpose of advancing to them such moderate sums as may suffice to establish them with comfort in such part of Benares or its neighbourhood as you may deem expedient.

4. It is more than probable that you will in the first instance be appealed to by the parties in question respecting the cause of their finding themselves under your charge, under which circumstance the obvious course of referring them to this Office need not be here insisted on.

5. The term of the residence at Benares of these persons is uncertain, and Will very materially depend upon the manner in which they may both satisfy you by conducting themselves tranquilly & reputedly, as also by avoiding the maintenance of correspondence with the Dheere of Her Highness the Doolin Begum, & by carefully eschewing the society or advice of such low intriguants as are certain to attach themselves, where at all encouraged, to natives of rank vexed with imaginary grievances.

6th. The absence of these parties from Moorscheedabad has been necessitated in consequence of nonobservance of due caution in the above respects, and, should you favor me by intimating the same to them if referred to, without admitting needless discussion, and by, at the same time, allowing them the advantage of your advice with reference to the terms of this dispatch, you will confer an equal favor on them and on myself.

7. Copy of this dispatch has been duly addressed to Government on this day's date.—I have etc.

[1457]
W. Dampier Esqr, Superintendent of Police L. P., Calcutta.

Sir,—In acknowledging your letters as per margin, I have to offer my apology for some appearance of neglectful delay which was wholly unintentional, being caused by absences on my part of uncertain duration from the place in which only I had facilities of official reference.

2. I deemed it exceedingly probable that the gifts of Shawls and money made by the Nuwab Nazim of Bengal to subordinate Officers of the Police while recently on the march, would be reported to you, and was therefore not unprepared for the tenor of your letter (4th February 1848) the courteous and considerate character of this communication commands the return of His Highness’s acknowledgements, and my own.
3. I trust that however strict the orders of Government may be as respects the nonreceipt of presents by the Police, the circumstances of the present case may be allowed to establish an exception to the rule.

4. The gifts (of trifling value) were openly bestowed by the titular lord of the country in token of extraordinary service rendered by the Police during the presence in their divisions of a camp of several thousand men an occurrence most unusual in Bengal.

5. The presents were thus honorary distinctions, not as from a private individual, but which would never have been given, had they not been amply deserved.

6. I was myself with the Nazim during the greater part of the period to which your letter refers, and, after considerable experience of the results of the march of large camps under the most strict supervision can conscientiously declare that I never saw better discipline preserved in camp, nor a better understanding maintained by and with the local subordinate authorities.

7. Whenever the Nazim's Camp halted a petty market was, with the aid of the Police, immediately established, and a peaceful and happy concourse of hundreds (I might say thousands) of the neighbouring populace at once assembled without in any case, the least affray or disturbance.

8. For upwards of five weeks no breach of the peace occurred in a Camp of between three and four thousand men, nor was there any instance of oppressive conduct brought forward save one, when the chief delinquent, two Sepoys of the Nazims and a servant of my own were punished by dismissal, and full satisfaction made to the injured party.

9. Had the Police adopted during this period any proceedings of a vexatious or extortionate character, preventing the peaceful assemblage of the people, or obstructively annoying the progress of the Nazim, it might have been made to seem no more than their duty, while the hidden consequence tended in no slight degree to their profit, as every person of any observation knows who has in this Country done the duties of a Magistrate.

10. To my extreme gratification I remarked in this instance the utter contrary of what I have elsewhere often heard of, and have myself sometimes seen, in like cases.

11. The Thannahdars, of each Thannah of the several districts, the Nazim entered, wore uniform, in their endeavour to facilitate his progress, and considerate towards the many who flocked to witness it: they made no demand nor stipulation, nor did their subordinates, for any fee or gratuity and the very moderate rewards which His Highness assigned to them bore the character, as it was expedient they should do, rather of distinctions for good service than equivalents, for the performance of duty.

12. Under these circumstances, and also with reference to the consideration due to the Nuwab Nazim of Bengal, I beg to suggest a modification in the case of the rules to which you allude, the gifts being on the one hand given for no corrupt end, and on the other tending to encourage activity and good service among an official class, much, and often most unjustly calumniated.—I have etc.

the 11th May 1848.

H. Torrens,
4. We thus created a Zemindaree or landed property, the immediate charge of which was assigned to European resident Superintendent of local experience whose particular duties are noted as per margin with their names, the Elder Mr. Fraser being in general local control of the whole.

5. We made adjustments for the payment of the prices of these lands, and any other payment on their account at the discretion of His Highness’s Financial Agent.

6. I would propose that the Estate so formed be known as that of Fureedoobahad the several grants being designated by the local appellations current among the Settlers.

7. An arrangement for the purchase of the Mundulghat Estate having proved abortive and many other investments having been declined, the Midnapore Zemindaree on the District of that name, was after much deliberation taken of its owner Mr. Abbotts for three Lacks of rupees, under the stipulations duly set forth in a deed of agreement between Mr. McArthur & himself.

8. It was finally purchased by Mr. W. at the Midnapore Collector’s sale on the 29th April in his name for the Nazim.

9. All legal instruments connected with all the above transactions are, or shortly will be carefully drawn and duly prepared by Mr. Hedger, attorney of the Supreme Court, and safely deposited in proper places.

10. Having acquired these Estates for His Highness, it now became necessary to come to a final arrangement for their management through a single chief responsible officer.

11. My own intention had always pointed to Mr. McArthur as fit and proper for this Office could the emolument attaching to it be made such as to remunerate him, but as the resources and prospective returns of both Fureedoobahad & Midnapore were unknown to us beyond the power of Estimate, the calculation was difficult; for even Midnapore which yields a certain profit could not be rated as returning its full amount thereof (Whatever that might be) during our first year of possession after the brief and troubled tenure of the previous occupant of the Estate.

12. I decided with His Highness’s Financial Agent to throw all charges under the above head upon the receipts from Midnapore debiting Fureedoobahad with its share in the books, and then assuming the Midnapore profits for the first year at Rs. 40,000 to offer Mr. McArthur 10 per cent on all profit in Excess with the cost of...
travelling charges, Office Establishment rent & contingencies whatever these might be, plus such amount of fixed salary as the Secretary to the Board of Revenue, should assign for one year, subject to future modification according to circumstances.

13. Mr. Plowden's reply to the reference (with Copy of it) form part of the records of the Estates.

14. It was finally decided—

1st. That Mr. McArthur should be manager of landed Estates for His Highness on Rs 1,300 a month plus the above stipulated allowances.

2nd. That he should hold his Office in the premises adjoining the Exchange so that being centrally situated in Calcutta he might easily visit the Estates under him.

3rd. That as in Furedoonabad so in Midnapore two or more competent local Agents should be nominated by him to manage the Estate & Collect rents.

4th. That the Monies collected should be paid into the hands of Messrs Mackenzie Lyall & Co. to the Nazims Credit.

5th. That an Abstract Account of the Receipts & expenditure for these on other Estates, now being or to be, should be prepared and transmitted by him regularly to the Nazim's Dewan.

6th. That all reports, letters or references should be so addressed for joint perusal of the Governor General's Agent.

7th. That he should make a reference immediately as to the form of the Manager's Office seal, the Establishment according to usage of the Nazim's ensign typifying possession in fit and convenient places in his Estates & other matters.

8th. That Office rent and Establishment should be settled on a discretionary footing by Mr. McCallum and himself.

9th. That a house of peculiar capabilities now for sale at Midnapore known as Mr. Forbes' house be bought for the Nazim's Sudder Kutcherry, and properly repaired the purchase being very advantageous as to terms.

15. I engage as assisting in the management of the Nazim's Affairs under Regulation XIX of 1828 to declare all the above arrangements to be good & valid from the date on which they were severally concluded. as being fully empowered so to do, Mr. McArthur's salary however as manager commencing on the 1st Current, being thus with all the Midnapore arrangements dependent on it so far retrospective.

16. I have finally, Dear Sirs to thank you in the Nazim's name and my own, for the able and zealous Manner in which you have served his interests and trust that with your attention constantly alive to the exceeding advantage of vesting his funds in landed property, you will let no occasion slip, (funds being available) of securing him and advantageous bargain.—I am etc.
