100 Great Indians Through the Ages

By

H. N. Verma

Amrit Verma

Authentic biographies of India's 100 greatest personalities—from Siva to Jawaharlal Nehru—who shaped her history, enriched her religion, philosophy, literature, arts and sciences, and contributed to the making of Indian national community and culture.

A galaxy of India's personalities attempted for the first time in a single volume, it is written in simple language and contains useful and interesting information.

Demy Octavo: Pages 296.

Outside (sea mail) : $10

SOME OPINIONS

An encyclopaedic work in 284 pages.

—The Statesman

Encompasses a vast period of known history and comprises great individuals from every part of the nation. A valuable asset to libraries.

—Hindustan Times

A passable introduction to the student and the general reader on the Indian genius in the fields of politics, literature, religion, philosophy and the sciences........A great deal of patient research has gone into the writing.

—Times of India

A handy reference for the adult, the book is not a collection of tales for the child......There is scope for such works.

—Democratic World

For those who want to know India and the various facts of the Indian political and cultural mainstream “100 Great Indians Through the Ages” is a tornado of information. A Bible for those who want to probe into the evolutionary process of India of today.

—Asian News Agency
Excellent book.  

—T.N. Kaul

What makes the book even more worth reading for a foreigner is the successful attempt to make him familiar with the historical, social and philosophical background of the ages and great men in them. It leads to a better understanding of Indian culture and customs and makes the reader curious about further details. So it induces to engage oneself more emphatically with great poems, history, religion, philosophy or in consequence with the Indian people.

—Kurt Harbodt

The Authors

H. N. Verma, a journalist, has to his credit a number of articles, booklets and tracts. He is M.A. in Philosophy and LL.B. of the University of Lucknow. Presently Mr. Verma is the Director (Commercial Publicity & Public Relations) of the Posts & Telegraphs Department. He is also the Editor of ‘Dak Tar’.

Mrs. Amrit Verma received her early education at Kinnaird College, Lahore, and took her M.A. in History from the Miranda House University of Delhi, and is an Archivist.
