FURLough AND Retiring RegUlations.

Officers must have served ten years on the island (except in case of sickness, of which satisfactory proof will be required), before they can be allowed a furlough, the period of which is two years and a half, reckoning from the time of their leaving the island until their return to it. During this time they are allowed the pay of their rank.

The pay of these officers on retirement also is regulated in the same manner. The period of servitude to entitle them to which is twenty-two years, including one furlough.

MONIES, WEIGHTS, AND MEASURES, OF INDIA.

The Account formerly published in this Register of the Monies, Weights, and Measures of the East Indies, has been discontinued in consequence of its insufficiency, as the article, if duly executed, must be far too extensive for the limits of this work.

Reference must therefore be had to a publication expressly on the metrology of all nations, recently published by Dr. Kelly, under the sanction of the Court of Directors, entitled The Universal Cambist.

TO
THE CIVIL RESIDENTS
IN THE
SERVICE OF THE HON. EAST-INDIA COMPANY,
THE COMMANDING OFFICERS,
PRESIDENTS OF THE REGIMENTAL MESS,
OFFICERS OF THE ARMY AND MARINE IN INDIA,
TO THE EUROPEAN INHABITANTS, LADIES AND FAMILIES,
IN THE INDIAN TERRITORY.

The inconvenience and uncertainty which have been so long experienced by Officers in the Army and other Residents in India, in obtaining the necessary supplies from England, as well for their personal use, as for the Service of the Mess, and the very high prices at which they are received, have long been the source of just complaint and dissatisfaction.

This disadvantage arises principally from the numerous hands through which they pass, under the present system, and the very extended credit given by the Houses who transmit the various articles.

ROBERT MAYNARD and Co., at the suggestion and by the urgent advice of several Officers in the Service, and others, who from experience have become intimately acquainted with the extent of these evils, submit the following proposals for your consideration, the object of which is to afford the Residents in India all the advantages which would accrue from being supplied through one House only, direct from the various Manufactories without any advance on the prices in England, under an experienced and confidential Agent, and the great saving they would ensure by purchasing with ready money, as Credit Houses cannot, on account of average risk, make that difference in charge which cash payments are entitled to, over extended credit.

It is suggested that Gentlemen, Families, or Regiments having occasion for supplies, should transmit their orders direct to London to the address appended, with as full and explicit instructions as the nature of the articles will admit, specifying the quality desired, whether of the newest and most fashionable, or the cheaper and useful description; in some instances giving drawings and measurements, with particular directions for Shipment and the name of their Agent abroad, to prevent any unnecessary charges in India, the amount of which here will be, in all cases, considerably diminished in proportion to the extent of the order. The most diligent attention would be given to select all goods in conformity with the taste.
Maynard and Co.—continued.

or wishes of their Correspondents, and articles desired from any particular Manufacturer who had established a preference in the India Market would be rendered at the same prices as in England. The average interval of their arrival would not exceed Five Months after the receipt of the Letters in England.

At the same time that Orders are thus forwarded, arrangements should be made to remit Money or Bills at sight to Messrs. Glynn, Mills, and Co., London, or to any Banker or Confidential Person to answer the Draft for the amount immediately on presenting the Bills of Lading of the shipment of the goods. The system submitted by M. and Co. will not admit of any credit or risk, their remuneration being such as not to allow of being subject to any disappointment. The same Parties might also be instructed to inspect the cases previous to their being sealed, thus affording a mutual guarantee for the proper execution of any Orders, and a corresponding certainty of funds.

The experience of Seventeen Years engaged in General Business in Ludgate Street, the last Seven of which have been mainly devoted to the Clothing and Outfitting to India, has given R. M. an extensive acquaintance with the Articles suited to that Climate, and a general knowledge of the staple productions of the United Kingdom; and will furnish those who entrust their Commissions to M. and Co. with an assurance that the best judgment will be exercised in fulfilling them.

They beg to represent that it is their determination to adopt such a principle of economy consistent with the superiority of the Articles, as, if patronized, to place the system on a permanent basis, and they are confident the great saving which would accrue and the satisfaction received would be commensurate with their exertions to establish entire confidence.

The Supplies proposed would include,

Military Equipments of every description, precisely according to Regulation.

Regimental and Private Clothing in every particular, and following any change in Appointments.

Saddlery and Harness.

Silver Plate and Plated Goods.

Hardware and Cutlery for the Table and all other uses.

China and Glass for the Table or Ornament and general Earthenware.

Household and Cabinet Furniture.

Carriages from the first Builders.

Musical Instruments by the best Makers.

New Publications and Books generally.

Assortments of Millinery and Haberdashery, and Ladies' Apparel of every description.
Maynard and Co.—continued.

TO FAMILIES AT HOME.

The Establishment embraces the Entire Outfits for Ladies, Families, Officers and Cadets leaving England, on the lowest terms.

The negotiating of Passages, forwarding Packets or Letters, superintending the Shipment of Baggage, and arranging the necessary documents previous to departure from England.

The Clearing and Delivering Baggage on the arrival of Families from India without any trouble to the Parties except letters of instruction of the quantity and contents of the Packages; and when required, Warehousing the same till their settlement in England or return.

The transacting of Business and Agency generally in connexion with the East-Indies.

All Goods would be charged at fixed prices, including the Commission, and without any discounts or deductions.

Note.—In advertting to the superiority of this system over private Commissions, it is important to explain that from the extent of the business transacted purchases would always be made at the Wholesale or Manufacturer’s price; and the remuneration being much less than a Retail profit, the Goods would be received considerably lower than single articles could be purchased by Individuals, and from making large Shipments at one time, the separate charges on Shipping would be greatly reduced.

The promptitude in executing Orders may also be noticed, and from the exclusive attention given to the Mercantile Branch, it is assumed that a decided advantage will be found in adopting this in preference to any system now in practice; the larger Houses from the nature of their Establishments and their multiform Business, being unable to enter into the necessary details without having recourse to secondary Agents.

TO PARTIES PROCEEDING TO INDIA,

The advantages of the system will appear evident in being directed at once to the best Makers, where they may make their own selections on much better terms than by casual purchases.

An Office is appropriated for the convenience of Gentlemen interested, where a Register is kept of the latest India Intelligence, with a List of Departures and Arrivals, the Daily Papers, &c., and where business appointments may be made without expense.

Correspondence and information are respectfully invited to further the objects of these Proposals.

By MAYNARD and Co.

27, Poultry, next the Mansion House, London.

(Removed from Ludgate Street.)

November 3, 1830.
TO GENTLEMEN

IN THE
CIVIL, MILITARY, OR NAVAL DEPARTMENTS,
AND TO
LADIES AND FAMILIES, WRITERS, CADETS,
AND ASSISTANT-SURGEONS,
PROCEEDING TO INDIA.

MAYNARD AND COMPANY.
OUTFITTERS AND GENERAL AGENTS,
Asiatic Office, No. 27, Poultry, London,
(Moved from Ludgate Street,)

Respectfully announce to LADIES and GENTLEMEN going abroad, that the arrangements at their Warehouse embrace every article necessary for an Outfit on the most extended, or on a limited and inexpensive scale, including the MILITARY EQUIPMENTS and CABIN FURNITURE, the whole of which may be supplied where expedition is requisite at twenty-four hours' notice; they invite a comparison of prices and quality with any similar Establishment, the utmost economy being carried into every part, so as to render each article on the very lowest terms.

The frequent disappointments experienced by officers in getting their Uniforms and Military Appointments made up precisely according to the new Regulations, have induced Maynard and Co. to give their particular attention to this branch, by consulting the first authorities, and by correspondence from Head-quarters in India. They are employing the first Artists and Cutlers in all the details, and by working the best materials aim to produce articles of a superior character. M. and Co. with confidence throw themselves upon the support of the Honourable Company's Service, which a long list of Staff and other Officers who have already honoured this Establishment with their patronage, will, they trust, fully justify; whilst by combining the Military with the general and personal Outfit, they are enabled to complete the whole in equal style with the West End Military Houses, at a saving of full 20 per cent.

Regimental Supplies of every description, Saddlery and Horse Furniture, General Clothing, Plate, China, Glass, &c. Cadets and Assistant Surgeons will find this Establishment of the utmost importance.

AGENTS FOR PASSAGES.

At this Establishment, Plans and Terms of every SHIP may be obtained, the Commanders met with, and PASSAGES advan.

AGENCY FOR PASSENGERS TO AND FROM INDIA
AND THE COLONIES.

CAPTAIN GRINDLAY,
16, CORNHILL.

The Above Agency having now received the sanction and encouragement of a large portion of the Officers of the Three Presidencies both in India and in England, information and assistance is offered on the following subjects, viz.:

Promotions, Changes, Casualties, alterations in Uniforms, Military Equipments and Establishments, Government and General Orders, Newspapers, Registers of Daily Arrivals and Departures, and of Addresses of all the Company's Servants at home.

Public and Private Business transacted, as well as all matters connected with the estates of deceased persons in India, or the remittance of property either in the Company's Loans or otherwise. Pay and Pensions received and remitted, and Letters and Parcels received and forwarded to and from India.

Supplies forwarded to Regiments, Messes, &c. in India.

To obviate the inconvenience and delay frequently attending the arrangements for procuring Passages to India, an Agency is established, where plans of all the Ships, with the prices of their accommodations, time of sailing, &c., may be seen, and every information and assistance may be obtained, and agreements for Passages concluded on the most advantageous terms, without any charge for negotiating the same, the Commission being paid by the Owner or Captain.

Passengers' Baggage Cleared and Shipped, and that of Persons arriving from India Cleared and Delivered. Servants procured, and every assistance rendered in the embarkation of Parties whether at Gravesend, the Downs, or Portsmouth.

Particular attention will be paid to the superintendence of the equipment of Writers, Assistant Surgeons, Cadets and others proceeding to India.

INSANITY.

PEMBROKE HOUSE, HACKNEY,
For the Reception and Medical Treatment of Insane Persons

MR. WILLIAM WILLIAMS.

Under the especial Patronage of the
HON. EAST-INDIA COMPANY.

The high encomium which has been paid to the management of this Establishment, in the late investigation into the state of Mad-Houses, by the House of Commons,* and the distinguished patronage of the HON. EAST-INDIA COMPANY, render it unnecessary to say anything more in its favour. It will be sufficient, therefore, to add, that the number is limited, the Patients are select, the advantages are considerable, and the terms reasonable, and that three-fourths of those already admitted have been restored to health and reason.

Male and Female Attendants, of approved experience, sent to any part of the Kingdom.

Dedicated (by Permission) to the Honourable Committee of Shipping of the East-India Company,
