CIVIL SERVANTS.

Regulations for the Grant of Absentee Allowance to Civil Servants when in Europe.

That after an actual residence in India in the civil service of ten years or upwards, a covenanted civil servant of the Company, upon either of the establishments of Bengal, Madras, or Bombay, shall be entitled, whether on account of ill health or from any other cause, and without reference to his private fortune, to come once to Europe, on leave for three years, and to receive for that period from the Company's cash an allowance of £500 per annum, provided that in no case shall a greater number of servants come home under this regulation, annually, than seventeen from Bengal, nine from Madras, and six from Bombay; nor shall a larger number of servants who may have come home under this regulation be absent in the whole at one time than fifty-one from Bengal, twenty-seven from Madras, and eighteen from Bombay, and that the preference shall be given first to servants producing medicinal certificates upon oath, that a visit to Europe is indispensably necessary for the restoration of health; and then to servants in their order of seniority, according to the rank assigned to them by the Court of Directors on the gradation list of the service.

That in cases of civil servants compelled by illness certified upon oath, to come to Europe previous to their completion of an actual residence in the civil service of ten years, such covenanted servants shall each be presented with the sum of 2,000 sicca rupees as passage money, and shall be entitled, for a period not exceeding three years, to an allowance from the Company's cash of £250 per annum; but that servants having received this indulgence, shall not, in the event of their again coming to Europe, after having completed a residence of ten years or upwards, be entitled to any allowance under the first regulation, except their return be again occasioned by illness, to be in like manner certified upon oath, and then only to the difference between what they have before drawn in the shape of absentee allowance, exclusive of passage money, and that of £500 per annum for three years.

That servants coming in the first instance to the Cape of Good Hope for the benefit of their health, and being compelled from the same cause to come from thence to Europe without previously returning to India, shall be considered as entitled to the benefit of the foregoing regulations.

That in all cases, as well in those of servants coming in the first instance to the Cape, as well as of those coming direct from India, the said allowances be considered as commencing from the date of leaving India, and terminating at the expiration of three years from that date, or at the time of arrival in India, whichever may first happen.

POPLAR FUND.

Regulations for the Admission of Pensioners.

Men.—That no commander, officer, seaman, or other person shall be eligible to a pension who has not served on board the Company's own or freighted ships, or on board the Company's pilot sloops, for the full term of ten years, and has not regularly contributed to the Fund, or shall not in every respect appear to the Committee of Shipping to be a proper object for relief.

That no commander, officer, or petty officer, shall be allowed the amount of pension attached to station, unless he has served one complete voyage to and from India or China in that capacity.

That the time of service be ascertained from the period each person shall appear to have been borne on the different ships' books, in any and every station whatever.

That no person who shall desert or quit without leave the ship on board which he had engaged to serve, shall have any claim to a pension from the Fund, notwithstanding he would, in other respects, have been eligible under these Regulations.

That no person who shall have ceased to be employed in the Company's sea service five years previous to presenting a petition for relief, shall be allowed a pension, unless recommended by the unanimous report of the seven members of the Committee of Shipping, and confirmed by eighteen out of the twenty-four members of the Court of Directors.

That every person on making application for relief shall produce a joint certificate from the Company's examining physician and surgeon of his being incapable of further duty at sea, and also except in the case of commanders) a certificate to the same effect from the last commander with whom he sailed, or (in the event of the commander's decease) from the next officer in rank who may be living and in England at the time, and shall also produce satisfactory testimonials of good conduct when last employed in the Company's service.

That any person in the Company's sea-service who shall be maimed or wounded in the defence or in the duty of the ship, so as to be thereby rendered incapable of further duty at sea, may be allowed the pension of his rank at the discretion of the Committee of shipping, without reference to his time of service.

That if any person shall have sustained an injury, in the execution of his duty, of such a nature as not to render him wholly incapable of further duty at sea, so as to entitle him to the benefit.
of the previous clause, he shall be allowed, as a compensation for
the injury, a sum equal to a half-year's pension.

Widows.—That no widow shall be allowed a pension, unless she
shall have been married at least one year before the husband ceased
to be employed in the Company's sea-service.

That no widow shall be allowed the amount of pension attached
to station, unless her husband had served one complete voyage to
and from India or China in that capacity.

That no widow of a petty officer or seaman shall be allowed a
pension who shall be under the age of forty years, unless upon sa-
tisfactory certificates, it shall appear that she is incapable, from
illness or infirmity, of getting a livelihood.

That no widow shall be eligible to a pension unless her husband
had served on board the ships and vessels described in the first
clause of these Regulations, and had regularly contributed to the
Fund for the full term of eight years, except her husband had been
pensioned under the seventh clause, or he had been killed in the
defence, or in the execution of his duty on board ship; in either
of which cases reference be not had to time of service.

That if any widow, to whom a pension is allowed, shall marry
again, her pension shall cease from the day of such marriage; but
upon her again becoming a widow, she shall be readmitted to the
benefit of the Fund, upon the same provisions and limitations as
upon her original admission.

That the fourth clause of these Regulations respecting deser-
tion, shall not affect the claim of a widow to relief from the Fund,
provided in all respects she is eligible.

Children.—That no child shall be allowed a pension during the
life of the father, nor unless born previously to the father quitting
the Company's sea-service.

That with reference to the foregoing clause, any child whose
father was in actual service on board any of the ships and vessels
described in the first clause of these Regulations, and had regu-
larly contributed to the Fund for the space of five years, shall be
allowed a pension.

That no child shall be allowed the amount of pension attached to sta-
tion, unless the father had served one complete voyage in the station.

That the fourth clause of these Regulations respecting deser-
tion, shall not affect the claim of a child to relief from the Fund.

That any child whose father had been a pensioner under the se-
venth clause of these Regulations, or who had been killed in the
defence, or in doing the duty, of the ship, shall be allowed a pen-
sion without reference to time of service.

That the pension allowed to children be continued until they
attain the age of eighteen years, but in case of absolute imbecility
of body or mind, certified upon oath by some respectable person,
the Committee of Shipping may in such case continue the pensions
beyond that age.

That the pensions allowed to children be paid for their use and
benefit (in the event of the decease of the mother) to such persons
as the Committee of Shipping may appoint for that purpose.
POPLAR FUND REGULATIONS.  

Pilot Sloops.—That no master or mate of a pilot vessel be allowed the pension affixed to either station, unless he shall have served five years in that capacity; nor shall the widows or children of such persons be allowed the pensions to which they would be entitled from their husbands' or parents' rank.

General Rules.—That the amount of any income or property which any commander, officer, midshipman, surgeon, surgeon's mate, purser, master of a pilot sloop, or mate, may possess, either in right of himself or of his wife, or that his wife may possess independent of him, shall be taken in abatement of, and be deducted from, the regulated amount of the annuity from the fund; for example, if the captain of a regular ship has, either in right of himself or his wife, £100 per annum, or if his wife has an income of that amount independent of him, he shall only derive from the fund the sum of £50 per annum to make his income equal to the pension of £150 per annum. That this rule shall apply to the widows and children of persons of the above description, and that it shall not be departed from in any case, or on any pretence whatever.

That any person who shall fail to report to the Committee of Shipping any income or property which he or she may possess, either at the time of a pension being assigned, or which he or she may afterwards become entitled to, such person shall forfeit his or her pension, and all future claim thereto.

That no applicant for relief shall be allowed a pension unless such person shall first appear before the Committee of Shipping; except in case of inability arising from age or infirmity, certified upon oath by one or more persons, if required, of known respectability in the neighbourhood of the petitioner.

That such persons as may receive parochial relief, or relief from any other charitable fund or institution, be required to state the amount thereof; and that the Committee of Shipping in all such cases exercise their discretion in respect to any deduction from the pension allowed from the fund, and any persons who may be afterwards discovered to have been in the receipt of any such relief at the time the pension was granted without making known the same, shall forfeit the pension.

That the class of persons described in the 23d clause, who shall be allowed a pension, do annually, in the month of June, transmit an affidavit to the Committee of Shipping of the amount of any income or value of property, for the year preceding, arising from sources other than this fund.

That if it shall be discovered, that any person has produced a certificate or other document forged, counterfeited, or altered by erasure or otherwise, with a view to impose upon the Committee of Shipping, and thereby to obtain a pension, such person shall forfeit all claim to the pension, and shall be incapable of ever receiving any benefit whatever from the fund, or if after a person has been granted a pension, it shall be found that he or she had imposed upon the Committee of Shipping by means of a false or altered
POPLAR FUND REGULATIONS.

document, such person shall forfeit the pension, and shall also be incapable of ever receiving further relief from the fund.

That if any pensioner upon the fund shall reside out of the kingdom of Great Britain and Ireland, without the express permission of the Committee of Shipping, the pension shall cease.

That such pensioners as reside in London, or within ten miles of London, shall attend in person at the East-India House, to receive their respective pensions, except they are prevented by illness or infirmity, which must be certified by a medical gentleman of respectability, in which case the pensions be paid on the authority of a letter of attorney or an order from the pensioners.

That such persons as reside in London, or within ten miles of London, who shall not attend in person at the East-India House once in twelve months to receive their pensions, the same shall cease, unless, for reasons which to the Committee of Shipping may appear proper, they shall permit the pensions to be continued, which reasons shall be recorded on the Minutes of the Committee.

That the pensions of such persons as are permitted by the Committee of Shipping to reside at a greater distance than ten miles from London, be paid under the authority of letters of attorney or orders from the pensioners, provided that certificates be produced to the paymaster at Midsummer and Christmas in each year, signed by the minister and churchwardens, or minister and elders, or churchwardens, of the parishes in which the pensioners respectively reside, declaring that the pensioners are then alive and resident in those parishes.

That orders be allowed to be in force for one quarterly payment only, and that they be deposited in the Pay-office upon the pension being paid.

That in the event of any letter of attorney or order appearing to be intended to impose upon the fund, the same be considered null and void; and that the pension be not paid without the special order of the Committee of Shipping.
CIVIL AND MILITARY SERVANTS.

Abstract of Act 33 Geo. III. cap. 52, sec. 70, precluding the Return to their Duty of Civil and Military Servants after an Absence of Five Years.

And be it further enacted, that no person who shall have held any civil or military station whatever, in India, in the service of the said United Company, being under the rank or degree of a member of council or commander-in-chief of the forces, and who, having departed from India by leave of the Governor general in council, or Governor in council, shall not return to India within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in India, either in the European or native corps of troops, or in the civil line of the Company's service; unless, in the case of any civil servant of the Company, it shall be proved, to the satisfaction of the Court of Directors, that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to India, by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in general court, specially convened for that purpose, whereof eight days previous notice of the time and purpose of such meeting shall be given in the London Gazette, or unless, in the case of any military officer, it shall be proved, to the satisfaction of the said Court of Directors and the Board of Commissioners for the Affairs of India, that such absence was occasioned by sickness or infirmity, or some inevitable accident.

AT A COURT OF DIRECTORS,

Held on Wednesday, the 9th August, 1809;

Resolved, That any person who shall, in future, be nominated to a situation, either civil or military, in the service of the Company, and who shall have obtained such nomination in consequence of purchase, or agreement to purchase, or of any corrupt pretence whatever, either direct or indirect, by himself or by any other person, with or without his privity, shall be rejected from the service of the Company, and ordered back to England, if he shall have proceeded to India before a discovery of such corrupt practice be made: and if such situation shall have been so corruptly procured by himself, or with his privity, he shall be rendered incapable of holding that, or any other situation whatever, in the said service. Provided always, that if a fair disclosure of any corrupt transaction or practice, of the nature before described, wherein any Director has been concerned, shall be voluntarily made by the party or parties engaged in the same with such Director, the appointment thereby procured shall be confirmed by the Court.

The above-mentioned certificate (and affidavit, in cases where an affidavit shall be required) are to be annexed to the petition to be written by the candidate, and they are to sign a declaration thereon, that they have read these printed instructions. The same declaration is to be signed by the parent, guardian, or near relation of the candidates respectively.

Candidates are to produce certificates from the person under whom they have received their education, stating the nature of that education, and the proficiency they have made therein; and also certifying as to their mental ability, conduct, disposition, and character, to comprise a period of not less than two years immediately preceding the time of presentation.

A student publicly expelled the college will not be admitted into the Company’s civil or military service in India, or into the Company’s Military Seminary.

No person can be appointed a Writer in the Company’s Service whose age is less than eighteen or more than twenty-two years, nor until he shall have resided two terms at least, in the college, and shall have obtained a certificate signed by the Principal in behalf of the College Council, of his having conformed himself to the statutes and regulations of the College.

TERMS OF ADMISSION.

Conditions and Qualifications for a Candidate.

1. Every candidate must produce a certificate of his birth taken from the parish register, and signed by the minister, and countersigned by the churchwardens; or, if born in Scotland, by the session's clerk and two elders, accompanied by a declaration from his father, mother, or nearest of kin, the forms of which may be had at the Cadet-office. But in the event of there being no register of birth or baptism, the cadet will be furnished with the form of an affidavit to be taken by the cadet previously to his being appointed.
MILITARY SEMINARY.

2. No candidate can be admitted under the age of fourteen years, or above the age of eighteen years.

3. No candidate will be admitted without a certificate, signed by two practising surgeons, that he has no mental or bodily defect that may disqualify him for military service, and a declaration that he has had the small-pox, or has been vaccinated.

4. Every candidate must produce a certificate of good conduct from the master under whom he has last studied.

5. Every candidate must deliver the names and addresses of two persons residing in London, or its vicinity, who engage to receive him if he shall be dismissed from the seminary, or removed from sickness or any other cause.

6. It is an indispensable qualification that the candidate write a good legible hand, as he will be required to write down a sentence from dictation by the head master; and if he should be found deficient in this respect, or in his orthography, his reception into the institution will be suspended for such length of time as the head master shall report to be necessary.

7. No candidate will be admitted as a cadet who cannot read and construe Caesar's Commentaries.

8. No cadet will be admitted who is not expert in vulgar and decimal fractions.

9. When a cadet is admitted, the lieutenant-governor or resident superintendent shall immediately send the head master's certificate to the clerk to the seminary committee.

No person who has been dismissed, or obliged to retire from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy at Woolwich, or from any other public institution, will in future be appointed to the Company's Military Seminary.

PROBATIONARY CLASS. 1. Every cadet will be required to pay the sum of £65, also the sum of £2 2s. as a subscription to the public library, into the Company's treasury, previous to his being admitted into the seminary, to reimburse the Company the expense of his probation, including clothing, stationery, books, drawing and mathematical instruments, pocket-money, at the rate of two shillings and sixpence per week, medical attendance, and washing.

2. That for the purpose of securing to the Company the repayment of such expenses, and the expense of any damage that a cadet willfully do to any part of the buildings or furniture belonging to the seminary, or to the trees in the gardens or grounds of the seminary, two respectable persons, on the part of every cadet, shall give bond to the Company, previous to his admission into the seminary, in the sum of £200 jointly and severally.

3. Previous to the cadet's admission into this seminary, his parents or friends shall furnish him with the following articles, viz.

Twelve shirts, eight pairs of cotton stockings, six pairs of worsted ditto, six towels, one pair of white drill trousers, four pairs of drawers, six night-caps, eight pocket-handkerchiefs,
MILITARY SEMINARY.

Two combs and a brush, a tooth-brush, a Bible and prayer-book; to be repaired, or, if necessary, to be renewed by the parents or friends at the vacation. These articles to be marked with the cadet’s name at full length.

4. That in future every cadet upon his admission be considered a probationary pupil only for the first six months, at the end of which period the public examiner will be required to report to the seminary committee the probability of his being able to pass for the artillery at the first public examination after his two years’ residence is expired; but should this appear improbably, either from want of talent or diligence, the cadet is then returned to his friends, and the sum paid into the Company’s treasury upon his admission, sixty-five pounds, be detained in liquidation of his expenses: but if the cadet is reported fit and able to prosecute his studies, then the said sum to be considered as covering his expenses at the seminary for the first year.

Payments. After the first year, the cadet will be required to pay fifty pounds per annum into the Company’s treasury, and the payments must be made in advance, towards defraying the Company’s annual expense for his board, lodging, and education, and for supplying him with the following articles, viz.

Books, stationery, mathematical instruments, drawing materials, repairing his clothes, pocket money at the rate of 2s. 6d. per week, medical attendance, and washing; as also with such a supply of the following articles as, in the opinion of the Military Seminary Committee, shall be deemed necessary:

Jackets, waistcoats, black silk stocks, foraging caps, pantaloons, shoes.

When the cadet attends to be passed by the committee, he must give in the names and addresses of two friends residing in London or its vicinity, who will receive him if he shall be dismissed or removed from the seminary.

Security. The cadet will likewise be required to give in the names of two persons (housekeepers) to be his security against damage to the Company’s premises, or the head master’s property, and also to reimburse the Company in the event of his not going to India in the Company’s service. Expense for the execution of this Bond in the Secretary’s Office, £3.

Prohibition. The cadet must not join the seminary with a greater sum than one guinea, and a further supply from any of his relations during the term may subject him to dismissal from the seminary.

Vacations. Midsummer commences second week in June, ends 31st July.

At the close of every vacation, the cadet must apply at the Cadet-office for an order for his re-admission, and all sums then due to the Company must be paid up. This order will express that he is only to be readmitted upon his returning with the same number of books and instruments which he took home with him, and that his linen is put into proper repair.
MILITARY SEMINARY.

No cadet will be allowed to remain at the seminary more than four terms, without the special permission of the Court, and in the event of any cadet being permitted to continue a fifth term, he will not be considered entitled to be selected for the engineers or artillery service; nor will he be entitled to any prizes, but will only carry with him that rank to which he may appear entitled at the conclusion of his fourth term.

Notice to Parents and Guardians.

The friends of every cadet are hereby informed, that provision being made for furnishing him with every requisite, he cannot really want a supply of money to be placed at his disposal while at the seminary; and if they do notwithstanding think proper to furnish him with money, they put it in his power to commit irregularities, which must always retard his studies, and may eventually lead to his removal.

The parents and friends are further particularly desired not to attend to any application from the cadets for money, under the pretence of their having incurred any debts at Croydon, or elsewhere, or for the purpose of raising a general subscription amongst themselves for public charities, or for any pretence whatsoever.

It having come to the knowledge of the Committee, that cadets have been in the habit of writing to their friends for money, under the pretence that there were so many stoppages from their weekly allowance that they had scarcely any left, the committee have ascertained that these stoppages have arisen, not only from wilful and wanton destruction of public property, but in a considerable degree from the postage of letters, and the carriage of parcels addressed to the cadets; it is therefore hereby ordained, that no letter or parcel shall be admitted into the seminary unless the postage or carriage of such letter or parcel shall have been previously fully paid for by the person sending the same, and the parcel shall first be opened in the presence of one of the orderly officers and the cadet to whom it is sent, and should it contain wine, or any thing prohibited by the regulations, the parcel, upon the first offence, will be returned to the person sending the same; and upon the second offence, the cadet will be ordered home, and not be readmitted until a written apology has been sent to the committee by the person who has committed a breach of this regulation.

Regulations for their Admission into Company’s Service.

AGE. The assistant surgeon must not be under twenty-two years, in proof of which he must produce an extract from the register of the parish in which he was born, or his own affidavit, and other certificates, agreeably to forms to be obtained in the office for cadets and assistant surgeons.

QUALIFICATION IN SURGERY. The assistant surgeon, upon receiving a nomination, will be furnished with a letter to the Court of Examiners of the Royal College of Surgeons, to be examined in Surgery, and their certificate will be deemed a satisfactory testimonial of his qualification: but should the assistant surgeon be previously in possession of a diploma from the Royal College of Surgeons of London, or of the Colleges of Surgeons of Dublin or Edinburgh, or of the College and University of Glasgow, or of the Faculty of Physicians and Surgeons of Glasgow, either of them will be deemed satisfactory as to his knowledge of Surgery, without any further examination.

QUALIFICATION IN PHYSIC. The assistant surgeon will also be required to pass an examination by the Company’s examining physician in the practice of physic, in which examination will be included as much anatomy and physiology as is necessary for understanding the causes and treatment of internal diseases, as well as the art of prescribing and compounding medicines, and Dr. Chambers will then require him to produce satisfactory proof of his having attended at least one course of lectures on the practice of physic, and above all, that he should produce a certificate of having attended diligently the practice of the physicians at some general Hospital in London for six months; or at some Dispensary in London for twelve months; or at some general Hospital in the country (within the United Kingdom) for six months, provided such provincial Hospital contain at least, on an average, one hundred in-Patients, and have attached to it a regular establishment of physicians as well as surgeons.

The assistant surgeon is also required, as a condition to his appointment, to subscribe to the military or medical fund at his respective presidency.

The assistant surgeon is required, by resolution of Court of the 21st of May 1828, to apply at the Cadet-office for his orders for embarkation, and actually proceed under such orders within three months from the date of being passed and sworn before the Military Committee; he will then be furnished with an order to obtain the certificate of his appointment, signed by the Secretary, for which he will pay a fee of £5 in the Secretary’s Office.
CAVALRY or INFANTRY CADETS.

Cadets nominated for either of the above corps must be 16 years of age, and under 22, unless they have held a commission in his Majesty's service for one year, or in the militia or fencibles for the same period, they are then eligible if not more than 25 years of age; and they must procure similar certificates and vouchers to those prescribed for cadets entering the seminary.

No person who has been dismissed the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy at Woolwich, or who has been obliged to retire from any public institution for immoral or ungentlemanly conduct, will be appointed a cadet direct for India.

No person will be appointed a cadet direct for India, without producing to the Military Committee a certificate, signed by two practising surgeons, that he is fit for military duty.

CADETS and ASSISTANT SURGEONS.

At a Court of Directors, held on Friday, the 27th Feb. 1818:—Resolved, That cadets and assistant surgeons be in future ranked according to the seniority of the Directors nominating them, from the date of sailing of the several ships from Gravesend (whether the Company's or Private Traders) by Lloyd’s list, and that those who may embark at any of the out-ports be likewise ranked upon the same principle from the date of the ship’s departure from such outports by Lloyd’s list.

At a Court of Directors held 21st May 1828:—Resolved, That all the cavalry and infantry cadets and assistant surgeons who shall fail to apply at the Cadet-office for their orders for embarkation within three months from the date of their being passed and sworn before the Committee, or shall not actually proceed under such orders, be considered as having forfeited their appointments, unless special circumstances shall justify the Court’s departure from this regulation.
