*In erudition the author is to the full up to the level of any writers, Catholic or Protestant, who have as yet attempted the same task, while his reliability in matters of dogma gives him an enormous scientific advantage over non-Catholics.*—Dublin Review.

**Saint Peter and the First Years of Christianity.** By the Abbé Constant Fouard. Translated by George F. X. Griffith. Crown 8vo. 9s.
LYONS.—Christianity or Infallibility—Both or Neither. By the Rev. Daniel Lyons. Crown 8vo. 5s.

'* His method is thoroughly popular, and while he has admirably succeeded in avoiding that didactic and argumentative style which is apt to repel the ordinary reader of our day, he nevertheless leaves the distinct impression that his reasoning is based on sound logic, and strengthened by such authorities as would command the attention of every theological student.

'The work is full of erudition, as is shown by the numerous notes indicating a wide range of pertinent and careful reading. ... The book is a solid and timely contribution to the theological literature of the day.'—American Ecclesiastical Review.
