LONDON:
JOHN MURRAY, ALBEMARLE STREET

CALCUTTA:
THACKER, SPINK & CO.

1872.
PREFACE TO THE EIGHTH EDITION.

The Eighth Edition is the result of an increased demand for this work, involving the necessity for a reprint at an earlier period after the publication of the Seventh Edition than was anticipated. The opportunity has been seized for making corrections and additions where they appeared to be most needed; but the present issue must be regarded as, in great part, a reprint of the Edition of 1869.

W. MORMANT BAKER.

The College, St. Bartholomew's Hospital,

October, 1872.
